Dear Parishioners,

This Spring weekend brings us to the Solemnity of the Holy Trinity. How wonderful and Central this is to what we believe as Catholics.

It is also wonderful that we continue to get back to our normal routine as far as our Sunday worship is concerned. This is a reason for rejoicing.

I would like to state a few guidelines for you as we begin this new and exciting time in our parish life.

- Fortunately for us, our church is large enough so that anyone who comes in may sit safely. Where or how closely you sit will be up to your discretion. Use your best judgement for the sake of all present since your vaccination status will not be checked.
- Masks are optional whether you have received a vaccination. Do what you are most comfortable with.
- There will still be no physical contact at the Sign of Peace.
- Holy Water use is still suspended until further notice.

Let us gather together with joy once more in our beautiful Church and thank God for the strength, caring and blessings that we have received and witnessed during this trying time.

God Bless you, in the Name of the Father, and of the Son, and of the Holy Spirit.

Sincerely,

Fr. Angelo, c.s.
